What is a Twilight Stage Sponsorship?

Twilight at the Zoo is the biggest music event of the year, drawing 7,000 attendees, featuring 10 bands throughout the Zoo, and showcasing Cleveland's vibrant local music scene. This stage sponsorship comes with stage sign opportunities, sponsorship recognition on marketing communications, and (6) General Admission tickets to the event.

What is a Sunset Safari Dinner / Cocktail Party?

Invite your friends, family, or clients to a wildly sophisticated night at the Zoo! The event features heavy appetizers or a plated private dinner and full bar package on our African Elephant Crossing patio. Before dinner, join us for a Behind-the-Scenes tour.
